

Sale Name: The Sprucery Garden Center
LOT 760 - 1.75" Celebration Maple, 12'

Description

1.75" Celebration Maple, 12'

This tree has deep cut leaves like the silver maple but has a much better shape. It is broadly oval with green foliage in the summer and yellow to orange in the fall. With open branching it is very strong against snow and ice damage. This tree eventually reaches 50 feet tall and 30 feet wide.
