

**Sale Name:** The Sprucery Garden Center

**LOT 21 - #15 Spring Snow Crabapple, 8'**

## Description

#15 Spring Snow Crabapple, 8'

This crabapple has bright green foliage and is known for its white blossoms. Many homeowners love this crabapple because it does not bear fruit. The tree should be planted below 7,500 feet. The Spring Snow Crabapple will get about 20 feet tall and 15 feet wide.

**Quantity:** 1
