LOT 1F - Shipping Option

Description

Shipping Option

Though Roller does not offer shipping options we do work with Pak Mail Lakewood. They can pick up the items from our facility, pack them and ship them anywhere you need. To get a quote please send an email to service@pmlakewood.com. Please include the lot numbers you are looking to have shipped and what zip code it is going to so they can give you an idea of cost. You may also call them at (303) 237-9240.
