LOT 612 - Skyline Honey Locust, 20' tall, 3" Caliper

Description

Skyline Honey Locust, 20' tall, 3" Caliper

Their fern-like foliage adds a unique texture to the landscape while offering a dappled shade underneath. In the fall their feathery foliage turns an outstanding yellow and

will require no raking because of their small leaf size. Their rapid growth rate and extreme toughness make this tree a sure bet.
