LOT 288 - 3" Canada Red Chokecherry 15'

Description

3" Canada Red Chokecherry 15'

Canada Red Chokecherry- This unique tree has green leaves first thing in the spring and quickly turns to maroon-red as it matures. This is a very hardy tree and is a great accent in any Colorado landscape. Suckering is possible with this tree so keep it out of

the lawn. Its berries attract birds. This tree can be planted up to 9,500 feet! And it will reach 25 feet tall and 20 feet wide.
